Notes on the Entries

Each document is entered under its title, as it appears on the title page.

If a title is lacking, one has been supplied and enclosed in square brackets.

Additional useful explanatory information is enclosed in square brackets.

If the item is dated this is included in the entry.

Pagination is included in the entry only for unusually large items.

Within each section, items are arranged either alphabetically or chronologically.

Conferences are arranged chronologically, and then under sub-headings.

In order to facilitate retrieval of documents, descriptions for those deposited in 1999 are not marked. Descriptions for those deposited in 2007 as Supplement 1 are marked * and for those deposited in 2011 as Supplement 2 are marked #.

For more information please contact Alison Eng.
